Service Address:	
Email Billing <input type="checkbox"/> YES <input type="checkbox"/> NO	\$2.00 monthly fee for paper billing <small>*Waiving of fee may apply - Please inquire</small>

I hereby make application and authorize the municipality to turn (ON/OFF) my water at the above address on my behalf. I agree to indemnify and save harmless the municipality of any and all consequential damages to property concealed. The applicant is required to be at the civic address at the time the work is performed to ensure the water is turned on or off inside the property. **I further understand that the work will only be performed when time permits or if the applicant has given 48 hour notice, excluding weekends.**

I am aware of the following and it has been explained to me:

Utility Deposit: A \$200.00 utility deposit is required prior to connection of service. This deposit or portion of deposit will be returned when the utility account is disconnected and service is no longer required. If the account is paid in full, the \$200.00 will be returned, otherwise the deposit will be applied to the balance owing and any remaining funds will be refunded.

Utility Billing: Water and sewer charges are billed on a monthly basis. Estimates are billed monthly. Actual bills are sent quarterly.

Disconnection of Service: If an account is more the 60 days in arrears that the service will be disconnected and a \$50.00 re-connection fee will apply, if service is reconnected during regular town personnel hours. If the service is re-connected after regular hours, the re-connection fee is \$100.00. No further notice will be given regarding disconnection other than on the utility bill.

Service Reconnection: Full amount owing along with the reconnection fee must be paid in full prior to service being reconnected.

Payment: May be made in person at 101 Main Street by cheque, debit, credit card or cash, e-transfer, preauthorized payment each month on the 6th day of each month or through most banking institutions as a bill payment.

I have read and understand the above information regarding Town of St. Brieux water and sewer services.
