Greetings from the Mayor

It is hard to believe that 2022 is already coming to an end and 2023 is upon us. As we wrap up 2022, and you are decorating for the season, please register your address at the town office for our Twinkle Tour. It is such a treat to see the community all lit up! This time of year is a special time for many families, and can be difficult for those who have suffered losses or are not able to be with loved ones. I hope that each of us are able to celebrate, or have time for peaceful reflection, in some way. On behalf of St. Brieux Town and Council, I'm wishing everyone a Merry Christmas and Best Wishes for 2023!

Cindy Placsko
Mayor of St. Brieux

CURBSIDE GARBAGE COLLECTION

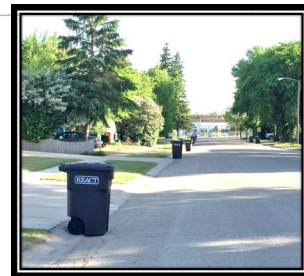

The Town of St. Brieux will be changing from the "Tag-a-Bag" garbage collection to the Curbside Cart Collection. REACT is working diligently to have this in place for February 2023.

We will be updating all residents when we have an actual roll out date from REACT.

Infrastructure Projects for 2022

Water Treatment Plant Upgrade

Slowly but surely things are getting done. Our last conversation with our Engineers it was stated that we should be fully operational with our new plant in February 2023. We realize that this has been a very long process but we are so close to the end now!! We appreciate your continued patience and support during this time.

New Lagoon Cell

The Engineers are working on our design drawing and we are hoping to have that approved and get ready for construction to start next spring.

Snow Removal Update

Well...snow's here!! The Town would like to thank you all for your patience as we dealt with an exceptional amount of snow and dealing with our equipment deciding to breakdown at the same time. The grader blew a head gasket (and so did the CAO) and Council is now trying to decide if we should fix it or should we be looking for a replacement. We have hired the Martin Brother's to aid us with snow removal in the meantime. John Gallays has also been helping with snow removal in the back alleys. Please remember that when we are piling snow, we are not trying to upset anyone by placing it in front of your property etc. We are simply trying to open up roads and we will haul the snow away as quickly as we can. Any concerns are to be directed to the Town Office at 306-275-2257 only and **NOT** to any road clearing personnel.

Did you know....

- Any property tax amounts that are not paid by December 31st of each year are subject to a 10% penalty as of January 1st.
- Any outstanding Utility Billing is subject to a 2% interest penalty per month. If accounts are not cleared by the end of a calendar year, the amounts are transferred to your taxes.
- The Town of St. Brieux offers many forms of payments. Cash, cheque, online banking, and etransfer. Mastercard and Visa are accepted for Utility Billing but not for taxes...we are working on this one! When you are paying online, please allow 5-10 business days for your transactions to be sent to us. When processing, we use the date that it was submitted by your financial institution. This is important in order to ensure that you are receiving the correct discount amounts on your taxes and that you are avoiding any pesky interest charges.
- We also offer Pre-Authorized Debit for both Utilities and Taxes. We have the forms here at the office and you will need to fill one out and supply us with a VOID cheque or a pre-authorized debit form from your financial institution.
